Alex's Lemonade Stand

Alex's Lemonade Stand Foundation (a registered 501c3 public charity) is a unique foundation that evolved from a young cancer patient's front yard lemonade stand to a nationwide fundraising movement to find a cure for childhood cancer. Since Alexandra "Alex" Scott (1996-2004) set up her front yard stand at the age of four, more than \$10 million has been raised towards fulfilling her dream of finding a cure for all.
