"The only day of the year you can run the beautiful estate of Irene DuPont without getting arrested, no matter WHAT anyone else tells you"

A classic trail course that traverses the entire Estate, on the other side of the creek bordering Brandywine State Park. It has stream crossings, tunnels of love, open fields, off camber traverses, technical rocky descents, incredible hill climbs & bamboo forests. The course will test you, amuse you, work you over like a masseuse charging by the hour and stick in your mind for years to come.

NEW CATEGORY: Iron Monkey: Friday Night MTN Bike Time Trial, Sat Trail Run 8am, MTN Bike 6hr Sat 10am (Male/Female overall winner). More info (see www.veloamis.org). and Bikereg.com

Andrew Mein's Excellent Adventure at Granogue is dedicated to the loving memory of our dear friend Andrew Mein. Andrew was a founder of the Wooden Wheels Mountain bike team, a stalwart in the cycling community, a loving husband, a superb trials rider, capable of amazing flatulence, a terrible bass player, an incredible mechanic, and a very good friend. Andrew was struck by a car and killed in 1998 while commuting home from work on his favorite bike at the time, a steel fixed gear road bike. Andrew was a hipster 10 years before hipsters knew they were hipsters. This race is put on, not in his memory, but as a celebration of his life, and his vision of racing. Andrew believed in fierce and fair competition, and having a great time doing it. Andrew was known for saying, "always be an ambassador for the sport."
