Support Our Cause

The Forks YMCA Education Center, A Branch of the Greater Valley YMCA, is hosting its FIRST Annual Forks 5K in conjunction with Forks Community Days on September 19, 2015, located at Forks Community Park in Forks, Twp., PA. We are excited to bring this tradition back to the community of Forks and are asking you to be a part of this momentous event.

The YMCA is a charitable, non-profit organization with a mission to support youth development, healthy living and social responsibility positively impacting the community. This event will attract over 200 runners to include both an Adult 5K Run/Walk and Youth Fun Run/Walk to kick off Community Days on Saturday morning. Your participation will provide opportunities for children to participate in quality educational programming that will create a STRONG START in building a firm foundation for success in school and throughout life. Our educational programs serve over 200 children on a daily basis to include: Infant/Toddler/Preschool Early Childhood Education, Pre-K Counts Program for at-risk three and four year olds, Full and Half Day Kindergarten, Before and After School Programs, Summer Camps and Enrichment Programs, all supporting youth development with a strong focus on family engagement. Our promise at the Y is that no child is turned away due to an inability to pay. Your charitable support helps us keep our promise. By participating in this event, you will ultimately enrich lives, strengthen communities and change futures.
