PRESENTS

On April 24, 2014 the lives of the Redcay family changed in an instant. Derrick suffered a spinal stroke, which left him paralyzed from his biceps down.

Reading Orthodontics is proud of Derrick's beautiful smile that they helped to perfect, they have partnered with Redcay Strong to present a day full of beautiful smiles because they know that Derrick Redcay is a young man whose strength and determination has inspired not only the Muhlenberg community, but over 10,000 people who are now part of "Redcay Nation"
