5K RUN / WALK

OCTOBER 22, 2017
@CEDAR CREEK PARKWAY, ALLENTOWN

Race to build a home for a hardworking Allentown Family

And earn some prizes too. Special awards await first time 5K finishers and most improved participants.

Congregation Keneseth Israel partners with Habitat for Humanity of the Lehigh Valley in building a home in Allentown for Habitat's 114th family. This Allentown family has seven kids and the parents are currently working to complete their 500 hours of volunteer "sweat equity". The home is in the 300 block of North 9th Street in Allentown's Historic District. The home has five bedrooms that will be perfect for this hard-working family with 6 sons and 1 daughter!

Habitat LV is made up of a volunteer board of directors, a dedicated paid staff, volunteer leadership committees, hundreds of homebuilding volunteers and parents and children working together to secure homeownership for families who are in need of affordable, decent housing. Everyone involved is dedicated to the mission of "Building strength, stability, and self-reliance through shelter."

The Congregation shares Habitat's vision of a world where everyone has a decent place to live. To learn more, visit www.habitatlv.org for Habitat and www.kilv.org for Congregation Keneseth Israel.
