The Caring Fund

Saturday, October 14, 2017

Reason to race: Each day in the Landis Homes Community there are individuals whose financial resources fall short of the cost of care they need.

As a faith-based and Christ-centered nonprofit ministry, Landis Homes is committed to caring for the community, even when unexpected health needs have led to dwindling resources. Annually, Landis Homes provides more than 3 million dollars of uncompensated benevolent care to recipients who are in their most vulnerable last years of life.

The proceeds from the Corn Pickin' 5K will help ensure aging adults and their families have the peace of mind and financial support to live healthy, meaningful lives.
