Results on www.pretzelcitysports.com in 1-2 days.

RACE DESCRIPTION: On June 3, let's inspire the runner in everyone.

2020 marks the fourth year of The Big Run®, our annual nationwide 5K event on Global Running Day. In partnership with Brooks Running, we celebrate our local communities by bringing tens of thousands of runners together to cross a finish line and achieve a goal.

Why? Because RUNNING CHANGES EVERYTHING™.

As if the endorphins weren't enough, we recognize runners of all levels through a fun range of cash prize opportunities totaling over \$5,000 that reward speed, participation, and human connection.

Help Us Give Back: Through our charitable arm, Do the Run Thing™, Fleet Feet has partnered with Girls on the Run and its SoleMates program so we can help more girls cross more finish lines. Why? Because everyone benefits when we support our kids.

Stay inspired:

- Not sure where to start? Come see us so we can outfit you in the best gear, talk about your goals, and make sure you meet them. We're here to help.

- Download the Fleet Feet Rewards App so you can sync your miles within the app and redeem them for additional cool prizes and sweepstakes!

- Search [#thebigrun](#) on Facebook, Instagram or Twitter to see how our epic coast-to-coast running community celebrated at The Big Run last year.
