

# 7<sup>th</sup> Annual Daylight Saving Dash 5K Run

## *Supporting Hope Rescue Mission*

**Saturday, March 7, 2020 - 9:00 A.M.**  
**Penn State University - Berks Campus**  
*(Inclement Weather Date: March 14, 2020)*

### **Hope Rescue Mission**

Over a century ago, men in our community saw the need for a Christian mission organization that would provide for the needs of men less fortunate than they. So, they created *Hope Rescue Mission* to provide a hand up, not a hand out, for their neighbors-in-need.

Though much has changed since 1894, Hope Rescue Mission still exists for the same basic purpose: provide for the physical, emotional and spiritual needs of the homeless of Berks County to share the life-changing message of the Gospel with the HOPE of seeing them restored to a productive life.

It costs roughly \$120 per week to house, clothe, feed, and mentor each individual who enters the mission. We encourage (as a goal) for each runner to attempt to raise \$120, however recently one young runner raised \$625 alone! Please join us in our efforts to transform the lives of homeless men in the Greater Berks Area by raising money to sponsor a man for week, two weeks, or more!

Take on the challenge to feed and house a man for a week!

Receive reduced race-day registration of \$10, which includes 5k race shirt, pre/post-race refreshments, and fun 5K race experience!

**Additionally**, all who are able to pledge the full \$120 will receive an additional “fighting hunger” shirt from the Hope Rescue Mission.

Please complete registration form (online/paper), along with this pledge form if interested in the lower admission cost, which is available up until race day of March 7, 2020.

Contact Race Director, Mike Mavreles, with any questions ([mikemav5288@gmail.com](mailto:mikemav5288@gmail.com)).
