

Dear [REGISTRANT],

As we are all aware, Pennsylvania is experiencing the spread of Coronavirus and we are all being asked to stay at home and practice social distancing. Given the risks associated with large gatherings during this time, we are going to be hosting the 2020 Be the Difference 5K virtually. You may be wondering, what is a virtual race and how do I participate?

A virtual race is an event that allows you, the registrant, to run your race independently and submit your time over the course of a month (anytime between 12:01AM on April 18 and 11:59PM on May 18) by sending a screenshot of your distance and time, recorded using your favorite fitness app. You will still receive a swag bag and a t-shirt. Top finishers will be recognized and a prize will be awarded to the first place overall in the male and female categories.

Once the restrictions are lifted, we will host an event at Clipper Stadium to celebrate our success. ***As you run your 5k, please take pictures and share them with us via email or using #bethedifference5k.*** At the Clipper Stadium event, we plan to share your photos on the jumbo-screen. All of you will be invited to enjoy refreshments and pick up your registrant bags and shirts and prizes.

We look forward to seeing you at our gathering once restrictions are lifted. In the meantime, stay safe and be well. If you have any questions or concerns, please do not hesitate to contact me.

Best regards,

Elspeth Moffatt
