# Evangelical Seminary

In the early morning of February 3, 1943 the U.S.A.T. Dorchester was torpedoed by a German submarine and sank in the icy North Atlantic. Only 230 men out of the 902 on board the Dorchester survived. Of those that perished that night were four Chaplains: Methodist Pastor George L. Fox, Rabbi Alexander D. Goode, Reformed Pastor Clark V. Poling and Father John P. Washington. These chaplains gave up their life jackets and encouraged others as they made the ultimate sacrifice for other service men. Witnesses told stories of how the chaplains joined arms, said prayers and sang hymns as the Dorchester sank beneath them.

Each Chaplain was posthumously awarded the Purple Heart and Distinguished Service Cross on December 19, 1944.

A one-time only posthumous Special Medal for Heroism was authorized by Congress and awarded by President Eisenhower on January 18, 1961. Congress attempted to confer the Medal of Honor but was blocked by the stringent requirements that required heroism performed under fire. The special medal was intended to have the same weight and importance as the Medal of Honor.

Evangelical Seminary's Four Chaplains Scholarship program provides a tuition free Master of Divinity degree to military chaplain candidates. All registration fees from the race will be used to fund scholarships for military chaplain candidates.

## Self-Timed Outdoor 4 Mile Run

The run may be completed on any day between February 1 and February 12, 2021. Must be completed outdoors. Can be completed on roads, sidewalks, or trails and on any surface. No track runs. Submittal of a GPS map is not required (we trust you). Submit only your fastest run.

## Total Accumulated Mileage

Miles can be run or walked, inside or outside, by yourself or with family, friends, or your pet. Outside miles can be completed on roads, sidewalks, trails, or a track and on any surface.

The miles must be accumulated in a single event, i.e., miles cannot be accumulated during your normal daily activities. A single event is defined as having a definite start and end time. For example, miles accumulated during your job that requires constant walking are not eligible. Walking your dog may be a daily activity for you but that event can be defined with a start and end time and thus an eligible event. You may have multiple events per day such as a morning and an afternoon or evening run or walk. We trust you.

Indoor miles may be completed on a treadmill, walking the mall or walking on an inside track. No ellipticals or stairclimbing machines. No organized sports such as tennis, basketball, volleyball, pickle ball or golf. Our intent is to represent the activity of the in-person event. Miles must be completed in a single event, as defined above.

All results must be submitted online at [www.evangelical.edu/4chaps](http://www.evangelical.edu/4chaps).
