"CHILLY CHEEKS"

11K TRAIL RUN READING, PA SUN., FEB 7, 2021 * 10 A.M. * ENTRY LIMIT OF 250

DUE TO FIELD LIMIT, ONLINE ENTRY ONLY. RACEDAY ENTRY DOUBTFUL! If state limit is below 250, staggered start times & packet pickup times may be announced

So, here's what you COULD be doing on Feb 7th. You <u>could</u> be in a poorly ventilated 18 by 12 room celebrating Aunt Tilda's 80th birthday while surrounded by 17-20 relatives who think that this whole "mask" thing is a hoax advanced by the Chinese thru our commie-loving left-wing media. OR, you could be outside in sub-freezing weather while the Chilly Cheeks race clears out your lungs, while keeping you 6 ft. from others because 1) they ran away from you because they are so much faster than you or 2) they couldn't keep up with your lightening pace. YOU decide which sounds safer; personally, I'D go to the Chilly Cheeks! It is a tuff race over rock and root, fallen leaves, fallen runners, technical downhills & outrageous uphills, including the legendary "Mt WhaDaFug?!" Too short for you to travel this far? Ask others; it runs "longer" than its stated distance. Yet, it is "doable" even by those that use handicap ramps, even though they don't have to, 'cause "steps are hard". AND it has all the "perks" of every PCS event: GREAT aide stations w/alternate beverages, funny on-course signs, a course that even Helen Keller could follow if she 1) slowed down just a bit and 2) wasn't dead. Plus there are tons of awards, our memorable shirts, etc. Will it be different than in years past? OF COURSE!! Everything is outside. And our breakfast buffet and cash bar, both inside, are gone, due to state rules & the logistical nightmare of holding a buffet outside and keeping stuff hot. However, we HAVE come up with a system that will get you a free or heavily subsidized hot item outside which will ALSO allow you to purchase a brew at our outside bar. And Pretzel City's covid rules WILL be mandatory; covering your face at ALL times except for racing, eating/drinking(while relocating to a remote area) and wiping away snot (again, hopefully, out of sight). But the same wackiness and challenge remains. Come achieve a "finish" even more impressive than your binge watching achievements during the lockdown.
