

Virtual Polar Bear 5K

January 15-25, 2021

Please join us in a virtual 5K as we kick off 2021. Joining our virtual 5K is a great excuse to start 2021 off supporting a good cause and to enjoy the fresh air. Make it a family affair!

You can run, walk, jog, sprint, saunter, mosey, stroll with or without your dog, cat, ferret? and/or your significant other at ANY location you choose! Our Polar Bear 5K Run/Hike/Bring Your Dog is our main fundraiser, so we need your support to help us keep Lancaster Green.

[Sign up](#), get your 5K done, and then you can post a photo of your accomplishment on either [Facebook](#) or Instagram, #PB5K21.

For a mere \$25 you will receive your very own Sierra Club - Lancaster Group mask, could win one of our traditionally fabulous prizes for the [#PB5K21](#), and will help keep Lancaster County green! All monies raised go toward our "green grants" which support native habitat gardens, tree plantings, rain barrels, outdoor classrooms for children and much more.

[Sign up NOW](#) or by January 24th and do your thing between January 15-25th! Post your pictures on Facebook or Instagram with #PB5K21

Please abide by the guidelines and protocols recommended by the CDC and PA Health Department.
