Evan T. St.Clair
July 12, 2007 – June 25, 2017

Evan was the kind of boy who would walk into a room and immediately make friends. His smile was infectious and his heart immensely kind. Tragically Evan lost his life in an accidental fire on June 25, 2017. Our entire lives changed on that day. Suddenly the laughter and jokes were missing and the smile that lit up the room disappeared from our lives.

We want others to know Evan's kindness and help it to live on. Evan learned many lessons in his short but remarkable life. These lessons are now affectionately known as **Evan's Eleven**.

We are continuing our partnership with the **Norco Fire Company** and surrounding fire communities to create additional fire safety prevention and awareness through the **Saving Lives Campaign and Evan's Eleven Inc.**

Proceeds from Evan's Eleven Memorial 5K Event will be donated to honor those causes. We have already placed free fire equipment into over 60 homes and have 9 additional fire companies onboard to provide free fire equipment to their communities. With your help we are looking for additional ways to keep families safe or assist those impacted by these types of tragedies. In 2021 we have added a scholarship award to an Owen J Roberts graduate going into trade school in Evan's honor. If you know anyone eligible, please send them to the Owen J Roberts application website here;

Can't make the race but would still like to donate? Donations can be made through our website. www.evensellevenc.com.

**4TH ANNUAL
EVAN'S ELEVEN
MEMORIAL 5K**

Fundraising proceeds will benefit the Saving Lives Campaign, surrounding fire communities and Evan's Eleven Inc. to continue providing additional support, safety and awareness efforts, scholarship awards and kindness efforts in the community.
